Like Greenie said, today has been an incredible event! Thank you to everyone for making this possible, from our mods keeping the peace, our panelists leading the discussions, and of course all of you for taking part and making this great. Project Khitomer certainly surpassed my expectations. Thank you all!

Marty, 6:03:32 PM

[16th] Admiral Teagarden, 6:06:55 PM

No worries. Been called worse

[OF/RPG Discord] Phoenix Lalor, 6:06:56 PM

@Ensign Chloe Waters (ND, SB118)?

[OF] du Lac, 6:07:00 PM (edited)

Well, on behalf of OF I'd just like to say thankyou to you all. We started off with a little khitomer channel on our Discord server because well, we wanted to start mending bridges after many years of competition. That's now blossomed into something that we couldn't have envisioned at the time, and I'm hella proud that we've managed to do something this awesome.

We're also not going anywhere. This isn't going to end tonight. There'll be some reflection, some work behind the scenes and I'd keep an eye on <https://project-khitomer.com> if I was you lot 😊

[BF] greenfelt22, 6:07:16 PM

Yes! Stay in the server!

The craziness isn't done yet! Just the scheduled stuff.

[OF/RPG Discord] Phoenix Lalor, 6:07:30 PM

sounds good

Capt_G_Shepherd STF, 6:07:36 PM

site still doesn't work.

Ensign Chloe Waters (ND, SB118), 6:07:38 PM

They don't read well with my screen reader at all. They just sound like links and I get nothing out of them except spam.

[OF] du Lac, 6:07:42 PM

it does actually 😊

[BF] greenfelt22, 6:07:44 PM

@[BF] Alexander any final thoughts from BF?

Yuna [PF], 6:07:49 PM

It's a good plan. Kind of like the triwizard cup, just with better organization, and slightly worse trivia.

[OF] du Lac, 6:07:58 PM

it wouldn't have loaded that thumbnail if it didn't

[OF/RPG Discord] Phoenix Lalor, 6:08:02 PM

Hehe

Sten Darker, 6:08:06 PM(edited)

I'd get out of here in about 50 years if I were you, though. Those Romulans are looking shifty

Capt_G_Shepherd STF, 6:08:12 PM

must have been on my end.

[OF] Becca, 6:08:31 PM

@Yuna [PF] Less death as well

[OF]Harrington, 6:08:37 PM

it's been wonderful to see something like this, and long overdue. Thanks to all <@&Hosts> for their hard work and dedication to making something like this happen

[OF/RPG Discord] Phoenix Lalor, 6:08:40 PM

No dragons

Marty, 6:08:51 PM

shifty romulans... is one muahahahaha

Yuna [PF], 6:08:52 PM

@[OF] Becca Obsidian fleet to win, but Aparty catches the snitch

Ensign Chloe Waters (ND, SB118), 6:08:55 PM

Though... the website breaking did kinda throw things off for me 😞

[OF] Becca, 6:09:00 PM

Next time dragons!

Fluffy Killer, 6:09:01 PM

I enjoyed this--maybe make it an annual event instead of a one-time deal?

[BF] greenfelt22, 6:09:06 PM

Threw it off for us too..... 😞

[SB118] Groznin Smith, 6:09:07 PM

hugs Chloe sorry

Ensign Chloe Waters (ND, SB118), 6:09:09 PM

Did have fun though.

[OF/RPG Discord] Phoenix Lalor, 6:09:13 PM

@[OF] Becca crazy lovely lady there

WiseOwlSTF, 6:09:14 PM

Yeah annual would be good

[OF] Becca, 6:09:24 PM

[OF]Harrington was our seeker. It's his new glasses you see.

(BF) Skoll, 6:09:26 PM

Chloe does seem like a cat lady

[BF] BlackWolf, 6:09:29 PM

Keep this tradition going for many years to come and let us build together on a greater community ❤️👏

[PF] AlexM, 6:09:31 PM

Yeah, apologies about the website. It was in a mood.

[OF/RPG Discord] Phoenix Lalor, 6:09:36 PM

You made him Seeker?!?!

[SB118] Groznin Smith, 6:09:38 PM

She's our car lady @(BF) Skoll

Ensign Chloe Waters (ND, SB118), 6:09:38 PM

[OF] du Lac, 6:09:50 PM

@Ensign Chloe Waters (ND, SB118) imagine my surprise when I was working on it and it just went "nope, nope, nope f**k you"

Ensign Chloe Waters (ND, SB118), 6:09:50 PM

::nuzzles all the hands::

Yuna [PF], 6:10:00 PM

I'm super glad to see this, to be honest.

WiseOwlSTF, 6:10:12 PM

I liked this for learning about new resources and stuff

[PF] AlexM, 6:10:22 PM

There may or may not have been a mad dash to recreate the schedule last night...

Capt_G_Shepherd STF, 6:10:23 PM

Me too.

WiseOwlSTF, 6:10:23 PM

and ideas for rping

Ensign Chloe Waters (ND, SB118), 6:10:25 PM

Yuna [PF], 6:10:26 PM

It was nice seeing some "Let's play nice and talk about making simming better" instead of inter-fleet politics.

[BF] Alexander, 6:10:29 PM

In past years many, including myself at times, have called Star Trek simming and sci-fi simming in general dying. Fragmentation of the source material, a lack of young people entering the hobby and many other reasons. It is conventions like these that show just how wrong these claims are. On behalf of Bravo Fleet I want to first thank all of you for attending, our friends in OF, PF and all the other groups that came out in force for together going on this new path of simming, our Moderators for keeping the peace and all those people who volunteered their time and knowledge to give us content. Project Khitomer is not just a convention, Project Khitomer is an idea. We are stronger together. I look forward to seeing this community keep growing and for you to stay in this server. You all rock!

WiseOwlSTF, 6:10:36 PM

Yes absolutely!

(BF) Skoll, 6:10:42 PM

My phone has been going nuts all night and driving every one in the living room nuts.... its quite funny no one asked me to turn it off since I was on my computer

[OF] du Lac, 6:10:58 PM

and I'm also sorry I can't fix simcest

[BF] greenfelt22, 6:11:04 PM

lol

Marty, 6:11:05 PM

repeat panels, trivias, word games, graphics competitions, sim offs, character banter, possibilities are endless for Project Khitomer.

[OF] Becca, 6:11:06 PM

hehe

Ensign Chloe Waters (ND, SB118), 6:11:13 PM

I'm 18 for the record.

[BF] The Captain | CRO, 6:11:17 PM

The past is the past, time to move forward into the future as a community of friends and equals, not as a fragmented community of "us vs. them" 😊

WiseOwlSTF, 6:11:26 PM

Exactly!

Yuna [PF], 6:11:28 PM

@[\[OF\] du Lac](#) actually, that was one of the panels I enjoyed the best, Expressly because you admitted it wasn't a repairable thing.

Capt_G_Shepherd STF, 6:11:34 PM

claps.

[OF/RPG Discord] Phoenix Lalor, 6:11:38 PM

Maybe next year if i have time @[\[OF\] du Lac](#) i'll run a panel

[BF] greenfelt22, 6:11:41 PM

<@&Hosts> final chance for comments

[BF] Camila, 6:11:42 PM

Thank you all for making this a very memorable event for everyone!

[16th] Admiral Teagarden, 6:11:46 PM

Agreed. Lets work together to build not divide

Sten Darker, 6:11:48 PM

It's nice to see all these factions come together. It's like some sort of... Federation

[BF] aio, 6:11:53 PM

Bring on the next event!!

Yuna [PF], 6:11:53 PM

A LEAGUE

WiseOwlSTF, 6:11:54 PM

Indeed!

Louis Harvatt|Star-Fleet, 6:12:05 PM

WiseOwlSTF, 6:12:06 PM

Capt_G_Shepherd STF, 6:12:06 PM

The Federation of Sims.

Yuna [PF], 6:12:07 PM

OF JUSTICE or some such. Wait, shit. That's copywritten.

[STF] BusyBeaver, 6:12:20 PM

lol

[PF] AlexM, 6:12:27 PM

I just want to say thank you to everyone one last time. I'm looking forward to next year, and continuing to see all of you around here.

WiseOwlSTF, 6:12:34 PM

Thx!

Sten Darker, 6:12:37 PM

Like some kind of Super Friends

Ensign Chloe Waters (ND, SB118), 6:12:39 PM

Also, for ae wondering, feel free to keep in touch via PM's. I'm blind irl. If anyone is curious... drop me a line.

[OF] du Lac, 6:12:45 PM

[OF] du Lac, 6:13:20 PM

can you imagine trying to merge the timelines? 😊

WiseOwISTF, 6:13:23 PM

Will the General Chat here be left open?

Capt_G_Shepherd STF, 6:13:24 PM

No merging of universes. Boo.

[PF] AlexM, 6:13:35 PM

Yes, General Chat will be left open.

[OF] du Lac, 6:13:38 PM

it took us three months to do this, god knows how long it'd take to do the rest lol

[BF] Alexander, 6:13:38 PM

Still not as bad as the DC Universe was pre-infinite earths 😊

[OF] Becca, 6:13:47 PM

@[OF/RPG Discord] Phoenix Lalor We can make anything work with notice

[16th] Admiral Teagarden, 6:13:48 PM

I think chat should be left open... yay!

(BF) Skoll, 6:13:56 PM

How many fleeters does it take to change a light bulb.... no idea we haven't figured out how to turn the lights on yet

[BF] The Captain | CRO, 6:13:59 PM

As the host of the writing workshop/discussion, I want to thank everyone who participated. For me, it was a sort-of last minute thing as I wasn't planning on being here, but I'm glad that I did and I'm glad that I joined in. You have given me some great ideas to take forward not just to my own simulation and my own writing, but back to BF for a lot of discussion. I want to see our community flourish, and expand and be as good as it can be, where we all are like a big family, where we respect one another and we move forward together, away from the old days of it being "us vs. them". Thank you to everyone who participated, joined in the conversations and was here for the event.

Marty, 6:14:03 PM

I'm happy to help if needed 😊

Yuna [PF], 6:14:08 PM

We're leaving this running? As a sort of cross fleet chat? Dang, that's pretty cool.

[OF] du Lac, 6:14:12 PM

yup

[BF] Camila, 6:14:14 PM

Khitomer Fleet

[OF] du Lac, 6:14:20 PM

[BF] greenfelt22, 6:14:22 PM

All right everyone. Just a final time, thank you all for coming. Stay in the server. Just the event rooms will be closing. Feel free to read back, and we'll let you all know when transcripts are posted. And definitely keep an eye on us here. The day may be done, but Khitomer's just getting started.

[OF] du Lac, 6:14:31 PM

Yuna [PF], 6:15:01 PM

Wait. Shit. >.<

[BF] greenfelt22, 6:15:03 PM

You don't have to go home, but you can't stay in #room-one. Get a drink from the bar and enjoy some fellowship. Good night everyone!

[PF] AlexM, 6:15:15 PM

Good night!

Yuna [PF], 6:15:19 PM

Night!
