Hello @everyone! Welcome to Project Khitomer, a special event designed to bring together the Star Trek Simming Community. Among us today are simming veterans and inexperienced faces. We hope today that everyone, regardless of skill level, fleet affiliation, and lifestyle will enjoy a day of fellowship, education, and more.

For those who don't know what simming is... it is simply put: text-based roleplaying. Games, or sims, are organized in an online venue where players can continue exploring strange new worlds as members of the Star Trek universe. Those who have gathered here thus far are representatives from hundreds of sims and dozens of clubs (commonly called Fleets) from the community at large.

No one really knows how old simming is. What we do know is that everyone comes from somewhere. Simming's past in the 90's and 00's is littered with splits and divisions. Someone had a disagreement with somebody and decided to remove their sim and members from one club to start another. This created a lot of "bad blood" and grudges in the community.

We'll go into more detail on this in a bit, but three fleets with long standing rivalries began to bury our quite oversized hatchet just a couple years ago. Bravo Fleet (founded in 1997), Obsidian Fleet (founded in 2001), and Pegasus Fleet (founded in 2009) started to put our differences aside in the spirit of cultivating the community and sharing ideas. We wanted to share our experiences and continue bringing the community together, and those ideas were the genesis for this conference. The name "Khitomer" is quite fitting, mirroring the Federation/Klingon peace summit among the rough waters of the simming community.

With this in mind, I want to remind you all quickly of the ground rules for the event.

To ensure that this event is a safe environment, the organisers have created a set of rules to make it so. See what we did there?

- ① Treat everyone with respect and keep any foul language to a minimum,
- ② We have a Zero Tolerance on any form of bullying and/or harassment, this includes, but isn't limited to; personal comments, age, race, gender, sexual preference, or fleet affiliation.
- ③ Recruitment in all channels outside the dedicated channels has been prohibited. This event is not about recruitment and we don't want our guests to be feel pressured.
- ④ We ask you to keep discussions in relevant rooms, we have provided overflow areas for over running events.
- ⑤ Above all, have fun!

A quick tour...

Introduce yourself, who you represent, and anything else you feel is important in #introductions. We do ask that you keep this channel discussion-free so that everyone's introductions can be read.

You can find our full event schedule in #schedule.

All sessions will be held in either #room-one, #room-two, and #scheduled-workshops. Participation at all levels is encouraged.

We do have other workshop rooms where you can hash out other ideas, from characters to sims to environments and more.

If you have an issue, see one of our <@Moderators>.

Before I pass off the mic, I want to give a few introductions. I'm greenfelt from Bravo Fleet. Also representing Bravo Fleet is its Command Council, @[BF] aio, @[BF] beeman, @[BF] Alexander.

Representing Obsidian Fleet is its Joint Fleet Council, @[OF] du Lac, @[OF] Sepandiyar, and @[OF] Mykul Sharr.

Representing Pegasus Fleet is its Commanding Officer, @[PF] AlexM and its Executive Officer, @[PF] S'iraa.

That's enough from me for now. Before I pass the mic to anyone else, are there any questions?

[BF/PF] ConfusedFire, 9:04:16 AM

Are we allowed to set the admirals on fire?

[SB118] Groznin Smith, 9:04:20 AM

[OF] Mykul Sharr, 9:16:52 AM

It's free fizz on arrival, so come back when all that's gone 😊

[BF] aio, 9:16:54 AM

Project Khitomer is a project that came through what were once quiet back channels between fleet leaderships. I was not there during it's inception, but I am so glad it eventually happened.

We started as rivals, and we have become friends. No longer do we communicate in the shadows, but openly so. And thus Project Khitomer was born.

We have all attended other simming conventions before, but this one is truly unique.

Never before have three fleets combined to form such an event as this.

And I am so excited to be a part of it, and I truly hope you all enjoy what has been months, if not years in the making.

Here is to Project Khitomer, the first of what will, I am sure, be many.

[OF] Mykul Sharr, 9:17:23 AM

Aye, here it is to a new age

Ezri Steel, 9:17:26 AM

Here here!

Wolf626, 9:17:33 AM

Capt_G_Shepherd STF, 9:17:33 AM

[BF/PF] ConfusedFire, 9:17:57 AM

Wolf626, 9:18:25 AM

I abstain from drinking alcohol IRL.

[TF] Kaede Kayano, 9:18:25 AM

And can I add please. This is going to be really fun, its not JUST 3 fleets. But you've managed to also bring other fleets into this! Some of them smaller and now is a chance for us all to get on as one big community! As a Task Force CO in Theta Fleet, I can fully support the co-operation of us all this evening! Thankyou! 😊

(BF) Skoll, 9:18:27 AM

First step towards a renewed alliance between the fleets. God knows most of us can remember when you simply didn't talk about other fleets.

[PF] AlexM, 9:18:34 AM

Thank you for the introduction, Greenfelt, and hello everyone! I'm so glad you all could make it and I'm very excited for today's activities. For those that don't already know me, I'm Alex, one of the hosts for the event and the Pegasus Fleet Commanding Officer. I've been simming for a little over ten years, and while nine of those ten years have been spent in Pegasus Fleet, I've still picked up a few stories from time to time about the sometimes dramatic history of Star Trek simming. I'm very happy to say that we've been able to put our differences behind us and help usher in a new era of cooperation.

It's really hard to say what first gave us the idea to do this event. I remember chatting with the leadership of Bravo and Obsidian Fleets, and someone threw out the idea of doing a joint conference. For the past few months, we've been laying the groundwork for the reason we are all here today. Project Khitomer was created with the idea of bringing the greater simming community together to not just put aside our differences, but to embrace them and as well as our similarities. We hope that everyone has a wonderful time today, and I'm looking forward to some great conversation and making some new friends.

We have a lot of great panels and workshops lined up today, as well as some live action roleplaying going on throughout the day. So relax, hang out, and let's have some fun!

[PF] James Stewart, 9:18:37 AM

no the bar bill goes to OF

[STF] CaptainRavenfall, 9:18:44 AM

Marty, 9:18:49 AM

we can play together

[BF] greenfelt22, 9:18:50 AM

We do love us some Theta

[STF] CaptainRavenfall, 9:18:51 AM

I've brought my own

(BF) Skoll, 9:19:10 AM

Unless its theta radiation that stuff mutilates.

Ezri Steel, 9:19:16 AM

Just send the bar bill to Sela.

(BF) Skoll, 9:19:28 AM

Send it to Kermit.

[SB118] Groznin Smith, 9:19:30 AM

I got the bar bill today lads

[TF] Kaede Kayano, 9:19:38 AM

You're going to regret that...

[PF] James Stewart, 9:19:39 AM

and here is Mr Paragraph LOL joking alex

[PF] AlexM, 9:19:42 AM

Apparently we're too young to drink, so PF can't pay the bar tab. 🙄

Marty, 9:19:42 AM

aren't we all a bit crazy

[SB118] Groznin Smith, 9:19:43 AM

Chistry, 9:19:47 AM(edited)

I can't speak for every Theta Fleet member present, but I am very excited to be here. I missed the most recent Fall Fest and only caught the tail end of the one before that. I know that Charlie, the Theta Fleet CO is also excited to be attending and to be leading a workshop.

[BF/PF] Kalo, 9:19:48 AM

Trenton is covering the bar tab.

[BF/PF] ConfusedFire, 9:20:13 AM

And, Onnar

[PF] AlexM, 9:20:50 AM

@[PF] James Stewart Would you want it any other way?

[SB118] Groznin Smith, 9:20:52 AM

As I said in from 118, lots of our members are at work or Asleep currently so I'm here waves as I said any questions don't hesitate to ask me

[BF] Leah, 9:21:03 AM

I am for one excited about the venture, no more rivalries were all here for the common good and fun and we all love Star Trek woo 😊

Marty, 9:21:04 AM

Typing War begin

(BF) Skoll, 9:21:10 AM

Mainly because you will likely never find the Trenton.

Wolf626, 9:21:27 AM

As a member of a non-Star Trek RP community, I can say this much: this looks like it's going to be awesome. Even bigger than Fallfest!

(BF) Skoll, 9:21:29 AM

Welcome to the world of social media....

[BF] greenfelt22, 9:21:43 AM

We are waiting on the OF rep to get to a position for a few words. Do any members of <@&Fleet/Org Leadership> want to say a few words?

[TFC] Not Shane, Kid, 9:21:45 AM

You know, I actually started to apply for Starbase 118, but didn't really finish it.

[BF] Leah, 9:21:54 AM

and non-star trek as well 😊

Ezri Steel, 9:22:06 AM

The one time I did forum RP, I just couldn't keep up.

[OF] Mykul Sharr, 9:22:16 AM

'lo folks!!!!

[STF] CaptainRavenfall, 9:22:21 AM

Thank you all for putting your differences aside and coming together to host a great event

[SB118] Groznin Smith, 9:22:24 AM

I don't think Wolf (from 118 is here) so I really am a representative of the fleet aren't I 😊

(BF) Skoll, 9:22:41 AM

Yay for the non fleeter, way to go breaking the tradition.

Marty, 9:22:58 AM

And thank you all for coming as it's nothing without the combined simming membership

Capt_G_Shepherd STF, 9:23:05 AM

I've been apart of OF and currently STF.

[NDF] Cael Maz, 9:23:12 AM

We here at New Destiny Fleet are proud to be apart of this event in any way shape and form we can be. We are a small group, but we seem to be growing biggger because of this event and we thank you all for this! So from Fleet Founder to the other fleets, Cheers!

[OF] Mykul Sharr, 9:23:57 AM

So, this has been something we have wanted to do for a long time now. From the beginnings when Khitomer started, we'd chat and share knowledge and best practices. From this open communication we built new relationships and we wanted to share this with the community. To show that there's no need for the old ways of rivalry and 'bad blood' as it were.

[TF] Kaede Kayano, 9:24:00 AM

We're all here because we love writing and playing together. We all have a common interest and we are all getting along in our unique ways. Currently we're all scattered over the entire planet and this makes this event very special. I look forward to meeting as many of you as I can while I am here and I hope that this brings everyone together. 😊

(BF) Skoll, 9:24:04 AM

Going to make the sophomore year of this event more interesting.

[STF] CaptainRavenfall, 9:24:08 AM

I thought that said the fleet down under @[NDF] Cael Maz

[O42N] MajTom, 9:24:12 AM

On behalf of everyone at Outpost 42 News, which is just Lt. Dan and me, thank you very much for the warm gracious and honorable welcome to Camp Khitomer today. It's sure to be a blast!

[TF] Kaede Kayano, 9:24:20 AM

(That was representing Theta Fleets Views, since our Admiral isn't here yet) 😊

[SB118] Groznin Smith, 9:24:25 AM

Can't speak officially for 118 but I'm sure they'd say that they're pleased to be here. And look forward to collectively working together to work on simming or something 😊

[BF/PF] Kalo, 9:24:30 AM

stalks @[NDF] Cael Maz

[OF] Mykul Sharr, 9:25:06 AM

From our talks, our rantings and ramblings we realised we all have a lot in common. So, we decided it was time to do a joint event to start that new chapter in our community. Why not host a mass event huh? Why not share ideas, resources and the like? So I really hope that you have a great time, I know Obsidian Fleet is excited and very proud to be a founding member of the Khitomer project.

[STF] CaptainRavenfall, 9:25:08 AM

@[BF/PF] Kalo I'm being mean to confusedfire

Chythar Skyfire, 9:25:25 AM

I am of 118 as well. 🙌 hello.

[BF/PF] Kalo, 9:25:31 AM

And you'll maul me if I try to stop you @[STF] CaptainRavenfall

[OF] Mykul Sharr, 9:25:37 AM

I'm here all night, and I'm happy to answer any questions and provide support wherever I can - and i'm sure any of the <@&Hosts> and <@&Fleet/Org Leadership> will do the same.

[SB118] Groznin Smith, 9:25:49 AM

Someone who outranks me. Zeph take over the official business quick. 😄

[16th] Admiral Teagarden, 9:25:57 AM

The 16th Fleet is very happy to be part if this occasion. We have seen fundamental shifts in gaming and we need more collaboration, not competition between our games. It is the only way to survive.

Chistery, 9:25:57 AM

Hey, is the Khitomer site down? I went there to look at the schedule and it wouldn't load. Unless I have the wrong site.

[BF] greenfelt22, 9:26:07 AM

It is.

[PF] AlexM, 9:26:09 AM

Unfortunately, it is

Chistery, 9:26:17 AM

Found the sched here

[BF] greenfelt22, 9:26:18 AM

We're working on it. The schedule can be found in #schedule

[STF] CaptainRavenfall, 9:26:22 AM

@[BF/PF] Kalo no I'll just put you next to him on the hood

(BF) Skoll, 9:26:23 AM

Points Chistery to the discord channel on here called Schedule

Chistery, 9:26:32 AM

lol yeah, I found it.

[PF] AlexM, 9:26:43 AM

It hit us last night, so we did the best we could without it. Sorry about that.

Chistery, 9:26:47 AM

I'm a flying monkey. I get confused easily

[BF] Alexander, 9:26:51 AM

As with any events, to truly make it great something had to break. This time it was the website 😄

[OF] Sepandiyar, 9:27:04 AM

At least it wasn't Discord

[BF] greenfelt22, 9:27:09 AM

Definitely.

[SB118] Groznin Smith, 9:27:10 AM

Yet

Marty, 9:27:11 AM

don't say that

[BF] Alexander, 9:27:11 AM

Right?

(BF) Skoll, 9:27:12 AM

I've got this going crazy while Riverdale is going nuts with the sage on the tv next to me... I am set for a long session on here

Capt_G_Shepherd STF, 9:27:14 AM

Anyone from the USS Apollo on OF

[OF] Mykul Sharr, 9:27:15 AM

On a friendly note to @everyone I would like to say that rank is an illusion, especially here in Khitomer.

[TF] Kaede Kayano, 9:27:18 AM

The website is down, but the weather is great 😄

[BF] greenfelt22, 9:27:23 AM

Also, we just filled our last open slot. We now have a full schedule.

YES! There are no ranks here. We are all players today.

[BF/PF] Kalo, 9:27:30 AM

stuffs @[STF] CaptainRavenfall in a sack and gives it to the @Capt_G_Shepherd STF as a chew toy

[BF] Leah, 9:27:33 AM

Yay!

Capt_G_Shepherd STF, 9:27:46 AM

doesn't accept.

[16th] Admiral Teagarden, 9:27:51 AM

Agreed @[OF] Mykul Sharr

Billy, 9:28:04 AM

Grabs a blueberry and watches the posts

[BF] Alexander, 9:28:05 AM

Yeah rank doesn't exist here, you may refer to me as your majesty.

(BF) Skoll, 9:28:08 AM

Does that mean we can all be fleet admirals for the day... a dream come true.

[OF] Mykul Sharr, 9:28:20 AM

I'm known as the "Grand High Bitch" so it's all good 😊

[OF]Harrington, 9:28:22 AM

what..no rank... pulls @[OF] du Lac into a PM we need to talk Mister!

[BF] JonM, 9:28:28 AM

That's not a dream @(BF) Skoll

USF_VAdm_Sulyk, 9:28:31 AM

May I? On behalf of the Executive Board of the USF, I invite participants over to USFArzie's Live Sim at #uss-halifax.

[BF] Leah, 9:28:33 AM

you wish @[BF] Alexander

[BF] JonM, 9:28:36 AM

It's a nightmare 😊

[OF] Mykul Sharr, 9:28:45 AM

nah, I'd recommend that ranks are left at the door, it will keep the event fair and open.

[SB118] Groznin Smith, 9:28:53 AM

In that case

[BF] Alexander, 9:28:57 AM

kind of wants to see a sim of all Fleet Admirals now

(BF) Skoll, 9:29:10 AM

Hasn't Confusedfire set fire to the last two fleet admirals?

[SB118] Groznin Smith, 9:29:10 AM

What rank 🙋♂️

Marty, 9:29:12 AM

I reckon every fleet should create a Project Khitomer Award to give to players attending?

[OF] du Lac, 9:29:13 AM

OF's JFC did a JP once

that was fun

[BF] JonM, 9:29:23 AM

@[BF] Alexander would be awful boring everyone just having tea and crumpets

Chistery, 9:29:26 AM

Rather be a Chief. They get the Goat's Locker to themselves (with the other Chiefs) and even the CO has to ask permission to enter...of course CO probably wouldn't be refused entry, but they are supposed to ask.

[OF] Sepandiyar, 9:29:34 AM

It only took 3 years to finish @[OF] du Lac

[TF] Kaede Kayano, 9:29:40 AM

I want to see all the Fleet Admirals playing Musical Chairs, or Duck Duck Goose....

[BF] greenfelt22, 9:29:44 AM

We have now added Leave your ranks at the door. We are all players here. to the rules.

[OF] du Lac, 9:29:49 AM

I'm speeding along in my Ascension class to Obsidian Command with Sharr's booze in a cargo bay

[BF] Alexander, 9:29:51 AM

No you don't get it @[BF] JonM , actually doing stuff regular crew would do. But everyone is a Fleet Admiral

[BF] JonM, 9:30:12 AM

@[BF] Alexander but they can't fly while drinking

[BF] Leah, 9:30:16 AM(edited)

pounces on @[BF] JonM ya made it yay

[OF] Sepandiyar, 9:30:19 AM

Yay @[BF] greenfelt22. That's a good rule.

[OF] Mykul Sharr, 9:30:20 AM

Yes, can everyone ensure they've read the rules and understand them. To keep a friendly environment, we will always adhere to them.

[NDF] Cael Maz, 9:30:20 AM

So much would be talked about and get done @[BF] Alexander it would be a riot to see them get back to their roots

[BF] Alexander, 9:30:37 AM

Right?

[BF] greenfelt22, 9:30:40 AM

I do want to give @[BF] JonM a quick shout out. He was instrumental in 2017 getting talks going between the fleets, unknowingly setting the dominoes in motion for today.

(BF) Skoll, 9:30:48 AM

The best kind of starship flying is when you are drunk... Klingon fleet got drunk one night they destroyed the Tribble homeworld.

[PF] AlexM, 9:30:51 AM(edited)

But nothing would ever get done on that ship. Admirals are divas. Didn't you know that?

[BF] Alexander, 9:31:00 AM

@[BF] JonM is a literal legend

[NDF] Cael Maz, 9:31:06 AM

Salute @[BF] JonM !

[BF] Alexander, 9:31:15 AM

You may refer to him as a god among mortals

[BF] Leah, 9:31:19 AM

lol

Chistery, 9:31:29 AM(edited)

takes off Lieutenant Commander pips x 2, Chief Warrant Officer insignia x 1, Senior Chief Petty Officer insignia x 3, Brigadier General star x 1, Major's Oak Leaf x 1, and some sergeant's chevrons

Marty, 9:31:44 AM

vice diva? @[PF] AlexM

[BF] Leah, 9:31:50 AM

leaves her BGeneral rank at door

[BF/PF] ConfusedFire, 9:31:52 AM

changes out of his command uniform into civilian clothes and parties it up

(BF) Skoll, 9:32:05 AM

I don't know whether to congratulate you or commiserate you for th @[BF] JonM for being insane enough to try and start the motions of putting this altogether.

[BF] greenfelt22, 9:32:12 AM

We're so glad you're all happy to be here.

[SB118] Groznin Smith, 9:32:15 AM

You may change. But No one change into their birthday suit

[BF] BlackWolf, 9:32:21 AM

gets in his onesie

(BF) Skoll, 9:32:34 AM

Revealing way to much about yourself BW

[BF] greenfelt22, 9:32:34 AM

We do want to stress to all that when our sessions start, we need everyone to stay on topic.

#general-chat is for all of the craziness.

[OF]Harrington, 9:32:44 AM

=\= Nogura, beam me back now these people are crazy =\=

Billy, 9:32:52 AM

Changes into an 2280's Admiral Uniform

[BF] greenfelt22, 9:33:00 AM

#room-one #room-two and #scheduled-workshops all need to focus on the event.

[SB118] Groznin Smith, 9:33:02 AM

Billy....

[OF] Mykul Sharr, 9:33:19 AM

There will be no unexpected transports. The Syd has blocked all of that nonsense 😏 NO ESCAPE!
bwhahahaha

[SB118] Groznin Smith, 9:33:24 AM

What if we rebel!

[SB118] Jo Marshall, 9:33:34 AM

Don't.#

[SB118] Groznin Smith, 9:33:36 AM

MUTINY

Billy, 9:33:37 AM

Sorry...pulls off the Admrial's uniform

[SB118] CSO Lt. German Galven, 9:33:41 AM

What did I walk into...

[OF]Harrington, 9:33:47 AM

@[OF] Mykul Sharr you don't outrank me, at the moment, so 😊

[TF] Kaede Kayano, 9:33:52 AM

I'll have the Tokyo's Fighters ready to intercept any illegal shuttles 😊

Logan Hunter, 9:33:54 AM

No Rebellion. Resistance is Futile.

[SB118] Groznin Smith, 9:33:56 AM

BILLY PUT SOME CLOTHES ON

[OF] Mykul Sharr, 9:34:02 AM

Harrington, I technically do points to the Syd

Wolf626, 9:34:08 AM

[BF/PF] ConfusedFire, 9:34:14 AM

[OF]Harrington, 9:34:20 AM

[BF] greenfelt22, 9:34:27 AM

Seriously all... let's stay on topic.

[BF] Leah, 9:34:30 AM

Hey watch it he's mine 😊

Logan Hunter, 9:34:31 AM

Come to the Dark Side...we have TEQUILA

[OF] Mykul Sharr, 9:34:33 AM

Marty, 9:34:36 AM

[OF] Mykul Sharr, 9:34:36 AM

[BF] Leah, 9:34:38 AM

[OF] Mykul Sharr, 9:34:41 AM

Keynote!

[BF/PF] ConfusedFire, 9:34:42 AM

Okay back to what was going on

Billy, 9:34:43 AM

But....I like to feel free and I love my body lol

[NDF] Cael Maz, 9:35:09 AM

::comes to attention and blows the attention whistle:: Attention Please!

[SB118] Groznin Smith, 9:35:13 AM

Key note?

[OF] Mykul Sharr, 9:35:17 AM

xD

[BF/PF] Kalo, 9:35:45 AM

snaps to attention cause she went to basic and knows that whistle

[BF] greenfelt22, 9:35:51 AM

We are all definitely glad you're here. Please engage in the discussions and partake in everything we have to offer. Our opening went a little faster than we expected. Our next event starts in 25 minutes. All of our rooms are open, and since you all are so happy, I'll open the bar...

[SB118] Groznin Smith, 9:36:11 AM

Griff, 9:36:12 AM

[OF] Mykul Sharr, 9:36:26 AM

(BF) Skoll, 9:36:35 AM

Uh CF did that a while go... we stole the Romulan ale so you know sorry to say that this may devolve

Logan Hunter, 9:36:42 AM

hmmm...beer...sounds good after the night I had

[TF] Qazzy, 9:36:43 AM

Not right now @[TF] Kaede Kayano I need you sober until later

Louis Harvatt|Star-Fleet, 9:36:46 AM

Hey all

[OF] Mykul Sharr, 9:37:02 AM

We have around 20 mins before we prepare for our first session. We are opening #room-one to a light hearted Q&A for Khitomer etc. General banter to go to #general-chat or #open-bar

[TF] Kaede Kayano, 9:37:07 AM

Awww 😞 But you know some of my best writing was done when I was in that state... Not that I remember writing it.

[OF] Mykul Sharr, 9:37:16 AM

Anyone got any questions about anything in general?

Logan Hunter, 9:37:29 AM

Know where I am heading for the next 20

[TF] Qazzy, 9:37:30 AM

You do some of your more insane writing in that state

[TF] Kaede Kayano, 9:37:39 AM

Yep 😊

[PF] AlexM, 9:37:46 AM

More specifically, questions about Khitomer.

[OF] Harrington, 9:37:51 AM

so I see intros from BF, OF, and PF.. what other Fleet Leadership is represented here?

[USF] USF Arzie, 9:38:25 AM

::points at @USF_VAdm_Sulyk:: The USF's is here.

[OF] du Lac, 9:38:45 AM

USF, TF, Theurgy, SB118, USF, and others

[TF] Qazzy, 9:38:52 AM

@[TF] Kaede Kayano and I currently represent Theta Fleet, until our admiral gets here and throws us in the brig

[SB118] CSO Lt. German Galven, 9:39:00 AM

StarBase118 is unofficially representing themselves

[PF] Puppy, 9:39:03 AM

5th fleet is here

[OF] du Lac, 9:39:10 AM

5th Fleet

[TF] Kaede Kayano, 9:39:10 AM

[SB118] Groznin Smith, 9:39:13 AM

Yeah we are German!

[PF] Puppy, 9:39:15 AM

_points at @133211970689171456 _

Beautiful Night, 9:39:24 AM

@[TF] Qazzy, @[TF] Kaede Kayano She'd never do that, she's too lovely

[TF] Kaede Kayano, 9:39:36 AM

Have you ever heard her angry?

[16th] Admiral Teagarden, 9:39:39 AM

I am the representative of The 16th Fleet

[OF] du Lac, 9:39:43 AM

Basically [OF]Harrington if you can find a letter in the alphabet or a number between 1-100 there's probably a fleet here for it

[TF] Qazzy, 9:39:43 AM

Ok. She'll have someone else throw us in the brig

[TF] Kaede Kayano, 9:39:47 AM

I was genuinely scared for my life....

[TF] Qazzy, 9:40:12 AM

@[TF] Kaede Kayano , you need to be

[OF]Harrington, 9:40:13 AM

@[OF] du Lac true

USF_VAdm_Sulyk, 9:42:19 AM

Completely missed Arzie pointing me out! Yeah, I'm one of 3 Admirals of the USF (United Space Federation).

[OF] Mykul Sharr, 9:42:32 AM

Excellent

So, any questions?

doodles on the <@Moderators>

[OF]Harrington, 9:45:24 AM

hay!

[BF] Kai1701E, 9:45:30 AM

There are so many awesome panels. How do I choose which ones to attend?

[BF] Leah, 9:45:32 AM

o.O

[NDF] Cael Maz, 9:45:36 AM

bows What is everyone most excited for today?

[BF] Alexander, 9:45:37 AM

Easy

[OF] Mykul Sharr, 9:45:37 AM

all of them?

[BF] Alexander, 9:45:39 AM

you attend them all

Louis Harvatt | Star-Fleet, 9:45:49 AM

@[BF] Kai1701E I recommend the World building one at 8

[OF] Kate, 9:45:54 AM

Pick the ones you like best to do live, and wait for the transcripts for hte other ones.

[BF] Alexander, 9:45:56 AM

@[NDF] Cael Maz The entire event honestly

Wolf626, 9:45:59 AM

3 Tabs READY TO GO!!

USF_VAdm_Sulyk, 9:46:13 AM

I'll be simming another character with Arzie on the Halifax, so I'm going DND.

[OF] Mykul Sharr, 9:46:15 AM

I'll be drunk later, so i'll be floating about

[BF] Alexander, 9:46:24 AM

Oh myy

[BF] aio, 9:46:29 AM

I'm already drinking lol

[PF] AlexM, 9:46:34 AM

I'm pretty sure I'm going to be bouncing around, when I'm not already hosting, at least.

[BF] aio, 9:46:34 AM

Lovely crisp cider haha

[OF] Kate, 9:46:38 AM

I'm making dinner.

[BF] Alexander, 9:46:42 AM

Bunch of alcoholics

[NDF] Cael Maz, 9:46:59 AM

I wish I could attend every event, however work does call to me later tonight so sleep is necessary. hehe

[OF] Kate, 9:47:12 AM

Nah, just fans of alcohol.

[OF] Mykul Sharr, 9:47:22 AM

I would have had a drink, but @[OF] du Lac said I had to be chatty and spell most things in English - at least to begin with.

[OF] Becca, 9:47:44 AM

Yeah someone has to.

[PF] AlexM, 9:47:44 AM

Spelling is overweighted.

[BF] aio, 9:47:48 AM

hands @[OF] Mykul Sharr a melon ball

[OF] Becca, 9:47:55 AM

Hahah

[OF] Mykul Sharr, 9:47:57 AM

is this a pint worth?

[OF] Becca, 9:48:08 AM

Drink of the week.

[BF] aio, 9:48:12 AM

Better, half pint glass, free bar, help yourself haha

[OF] Kate, 9:48:25 AM

I especially bought a new bottle of wine earlier.

[OF] Mykul Sharr, 9:48:43 AM

half a pint is better than a pint in your world @[BF] aio

remind me never go go there

[OF] Becca, 9:49:11 AM

@[OF] Kate my hero

[OF] Kate, 9:49:20 AM

[OF] Harrington, 9:49:47 AM

@[OF] Becca hey you!

[PF] AlexM, 9:49:53 AM

Anyway, I think we are getting a bit off topic again. If there are no more questions about Khitomer, I think we'll be getting this room set up for the first panel. Again, I'm glad to see everyone here today, and I'm looking forward to a great event!

[BF] Leah, 9:50:45 AM

Indeed so further discussions should be directed to #general-chat

[16th] Admiral Teagarden, 9:52:31 AM

I look forward to the festivities

[TF] Kaede Kayano, 9:54:05 AM

Ok @everyone Starship Design starts in Room 1 (Here) in 6 Minutes 😊

Zangetsu, 9:54:40 AM

<:queerly:469648090182320139> You kidding me right?

Billy, 9:54:44 AM

which one do i want to attend?

[OF][TFCO] Deletham, 9:54:45 AM(edited)

Ive got a great pitch ready

Marty, 9:55:16 AM

Who doesn't like a bit of Starship Design!

Zangetsu, 9:55:44 AM

Define Starship design...

[16th] Admiral Teagarden, 9:55:52 AM

We have too many good choices

[BF] Leah, 9:56:41 AM

Remember to keep on topic once it starts and have fun everyone

[SA] Wes of Star Army, 9:56:46 AM

I remember on Star Army we had a member design a starship complete with fully detailed deck plans using every bit of space on the ship. When they submitted the ship for review I pointed out that the ship was missing any form of toilet.

Wolf626, 9:56:59 AM

WES-SAMA!!!

You're here!!

Weeping_Angel, 9:57:47 AM

sounds like you have a fan or fans wes.

Marty, 9:57:47 AM

Toilet lol, well was there any on any Starfleet ship?

[OF] du Lac, 9:57:57 AM

I had someone submit half a dozen different specs for the akira and go "NONE OF THEM ADD UP"
that got ignored ...

[TF] Kaede Kayano, 9:58:18 AM

Its a good job I'm covering specs in this then...

[BF] Leah, 9:58:32 AM

T-2 mins 😊 😊

Zangetsu, 9:58:40 AM

So were not talking about doodles on a napkin here?

Marty, 9:58:47 AM

hugs @[TF] Kaede Kayano

[SA] Wes of Star Army, 9:58:50 AM

Marty, when Kirk is held in the cell in Star Trek V, there's a toilet in the cell IIRC.

[TF] Kaede Kayano, 9:59:05 AM

Yes there is, and it says on the side "Do not use in spacedock" 😊

Marty, 9:59:12 AM

LOL

[SA] Wes of Star Army, 9:59:22 AM

[TF] Kaede Kayano, 9:59:26 AM

tests the mic

Marty, 9:59:44 AM

yeah like anyone could tell that was a toilet

Zangetsu, 10:00:09 AM

Also they were mentioned in episodes a couple of times

[BF] Leah, 10:00:18 AM

Alright everyone the first panel is starting please give @[TF] Kaede Kayano your full attention for her opening 😊
